New Vision Co-op

The Board of Directors is happy to extend the New Vision Co-op Equity for Education Program into the 2009-2010 school year. The Board offers this program to allow members to assist in their children's education by accessing local New Vision Co-op equity.

This program has paid out over \$148,000 since 1999. Your support makes this program possible. The Board of Directors will review this program annually after the 2009-2010 school year.

- ✓ If criteria are met, parents will receive up to 25% of their New Vision Co-op local equity, with a \$500 maximum per student per school year.
- ✓ Upon verification of qualifications, an equity check will be made payable to the student's parents and mailed to the parents. (Taxes have already been paid on these funds.)
- ✓ Requests will be accepted January 3, 2010 through June 30, 2010.
